PERFORMANCE FEATURES

Insulation

Model 9700 comes with foamed-in-place polyurethane insulation with an R-value of 10*, which can improve the thermal efficiency of your garage space, help block street noise and make the door operate more quietly.

Windsafe™

Model 9700 is available with hardware and reinforcements to comply with building codes in regions with high winds.

Pinch-Resistant Door Panels

Designed with award-winning safety and technology features including pinch-resistant door panels.

TorqueMaster® Plus Counterbalance

Wayne Dalton's exclusive counterbalance system safely and cleanly contains the springs inside a steel tube.

Detailed Construction

Three-section styling on 7' high doors gives a custom design look. Our 8' high doors have four-section styling. All panels have finished interiors and low-profile hinges.

*Wayne Dalton uses a calculated door section R-value for our insulated doors.
